

Registration* fees	Before February 28, 2009	On-site/After February 28, 2009
Consultants	100€	130€
Trainees**	40€	60€
Accompanying person***	Free	Free
Meeting Dinner	20€	20€

* Due to the limited size of the Auditorium (150 places), places will be allocated on a first come, first served basis.

* The registration fee for active participants includes: lunch, coffee break, one-day ticket to visit Serralves Museum and Park.

** To qualify for the trainee registration fee, a letter from the head of training is required. Meeting dinner is free of charge for trainees.

***The organizing committee kindly offers the Meeting Dinner to one accompanying person per active participant (dinner fee is requested for consultants). The accompanying person DOES NOT have access to the scientific sessions.

Additional information: pcm09@ipatimup.pt

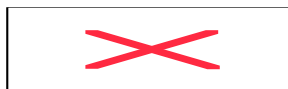

Information regarding registration and payment available at:

<http://www.ipatimup.pt/cancermeeting>

The Organizing Committee invites authors to contribute to the Scientific Program of the Meeting by submitting abstracts **for Poster Presentations until February 28th, 2009** together with the registration form and the registration fee of the Presenting Author. The abstract text should be divided into the following headings: **Background, Design, Results and Conclusion**, and should not exceed **300 words**.

The meeting will be held at the Auditorium of IPATIMUP (Institute of Molecular Pathology and Immunology of the University of Porto), Porto – Portugal.

Sponsors:

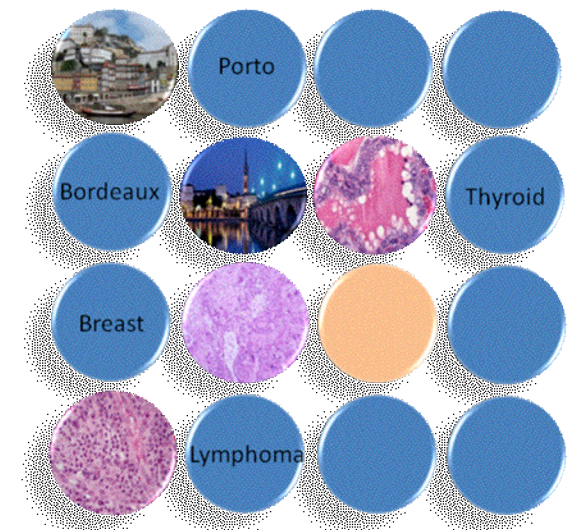

*This meeting is also supported by Société Aurora (France).

XVIII Porto Cancer Meeting
&
1st Joint Meeting Bordeaux-Porto

April 2nd and April 3rd, 2009
Molecular Tools Applied to Breast, Thyroid
and Hematopathology

Program

April 2nd (Thursday)

9:30 – Registration (and Coffee)

10:15 – Welcome – **Manuel Sobrinho-Simões**

10:30 - Testing of your diagnostic skills – **Fernanda Milanezi, Fernando Schmitt**

*PRIZES TO THE THREE FIRST PLACES AT THE MEETING DINNER

11:30 – Opening Session and Keynote Lecture:
Usefulness of molecular techniques in surgical pathology
- **Jean-Michel Coindre**

Pathology of the thyroid (2h15m) – **Genevieve Belleannée, Helene Trouette, José Cameselle-Teijeiro, Elsa Fonseca, Manuel Sobrinho-Simões**

12:30 – Challenges in thyroid pathology

13:15 – Lunch

14:30 – Clinical case I, illustrating the molecular approach on thyroid pathology

15:00 – Clinical case II, illustrating the molecular approach on thyroid pathology

15:30 – Discussion

16:00 – Coffee break

Hematopathology (2h15m) – **Antoine de Mascarel, Jean Philippe Merlio, Marie Parrens, Rui Henrique**

16:30 – Challenges in lymphomas

17:15 – Clinical case I, illustrating the molecular approach on hematopathology

17:45 – Clinical case II, illustrating the molecular approach on hematopathology

18:15 – Discussion

18:45 - Adjourn

20:30 – Meeting dinner

April 3rd (Friday)

Pathology of the breast (2h15m) – **Gaëtan Mac Grogan, Fernanda Milanezi, Fernando Schmitt**

10:00 – Challenges in breast pathology

10:45 – Clinical case I, illustrating the molecular approach on breast pathology

11:15 – Coffee break

11:45 – Clinical case II, illustrating the molecular approach on breast pathology

12:15 – Discussion

12:45 – Lunch

14:00 – Slide Seminar – Part I – Interactive Session (7 cases) – Antoine de Mascarel, Fernando Schmitt, Helene Trouette, José Manuel Lopes, Marie Parrens, Rui Henrique, Isabel Amendoeira.

16:00 – Coffee break

16:30 – Slide Seminar - Part II – Interactive Session (7 cases) – Fátima Carneiro, Fernanda Milanezi, Gaetan Mac Grogan, Genevieve Belleannée, Jean Philippe Merlio, Maximo Fraga.

18:30 – Adjourn
