

Nerve Regeneration 2012

Monday, June 11	9.30-11.00	Introduction: From Wallerian degeneration to nerve regeneration	Mónica Sousa, Nerve Regeneration Group, IBMC	B
	11.00-12.30	Central Nerve Injury- a clinical perspective	Paulo Pereira, Unidade Vertebro-Medular, HGSJ/UP	B
	LUNCH			
	14.00-15.30	Regeneration in Zebrafish: the contribution of the nerves	António Jacinto, Tissue Morphogenesis and Repair, IMM	B
	16.00-17.30	Remyelination in the CNS and PNS	João Relvas, Glial Cell Biology Group, IBMC	B
Tuesday, June 12	9.30-10.30	In vivo and in vitro assessment of axonal regeneration and remyelination	Fernando Mar, Nerve Regeneration Group, IBMC	FCUP *
	10.30-12.00	The role of (phospho)lipids in myelination and axonal regeneration	Pedro Brites, Nerve Regeneration Group, IBMC	FCUP *
	12.00-13.00	Injury signaling after injury	Fernando Mar, Nerve Regeneration Group, IBMC	FCUP *
	LUNCH			
	14.00-15.00	Cytoskeleton remodeling and axonal growth	Márcia Liz, Nerve Regeneration Group, IBMC	FCUP *
15.30-17.00	Biomaterials for nerve regeneration	Ana Pêgo, NEWTherapies Group, INEB	FCUP *	
Wednesday, June 13	9.30-13.00	<i>Practical workshop: in vitro cultures of neurons and OPCs</i>	Ana Marques, Filipa Franquinho; Sérgio Leite, Tiago Silva, - Nerve Regeneration Goup, IBMC	GABBA lab
	LUNCH			
	14.00-15.00	Transgenics and knockouts for the study of axonal growth	Mónica Sousa	FCUP *
	15.00-17.30	Preparation of Journal Club		
Thursday, June 14	9.30-12.30	Approaches to visualize the CNS and PNS of living mice	Thomas Misgeld, Institute of Neuroscience, Technical University Munich	A
	LUNCH			
	14.00-17.30	Journal Club	Thomas Misgeld, Monica Sousa	A
Friday, June 15	9.30-11.30	<i>Practical workshop: in vitro cultures of neurons and OPCs</i>	Ana Marques, Filipa Franquinho; Sérgio Leite, Tiago Silva - Nerve Regeneration Goup, IBMC	GABBA lab
	12.00-13.00	Seminar, Thomas Misgeld	Thomas Misgeld	A
	LUNCH			
	14.30-17.30	<i>Practical Workshop: Animal models of nerve and spinal cord injury</i>	Ana Marques, Fernando Mar, Sérgio Leite, Filipa Franquinho	GABBA lab

* FCUP - anfiteatro do Edifício FC5 (edifício da Direção e Serviços)
